Welcome to the Thank You NHS Stadium

Good Evening Ladies and Gentleman and welcome to the newly named and much changed 'Thank You NHS Stadium'. Since the end of last season over six months ago much has happened.

It will again be refreshing to have a crowd at our ground, watching football, making noise and enjoying yourselves.

A special welcome goes to all from Hanwell Town FC and today's Match Officials. I hope they enjoy their evening.

Sadly, I must open by talking about the passing of Grahame Lehyj, a Blues stalwart as both a player and more recently a club photographer. Grahame was ever present with his camera taking images of our games both home and away. His images have adorned not only our programme and website but also many other media outlets including the Mid-Sussex Times.

He will be deeply missed by all and our condolences go to his wife Barbara, their son Simon, their extended family and all of their friends.

On Saturday we inaugurated the 'Official Photography Spot' in his memory. It occupies a space near to where he stood when taking photographs.

On the football front we are 'Under new Management!'. After five glorious years Shaun has decided to leave the club. We cannot thank Shaun enough for all he has done for the 'Blues'.

Our longstanding physio John Fairley has also decided to leave. We wish him well for the future.

Stepping up to the plate is Lloyd Cotton who has been rapidly promoted from player, to coach, to joint Manager, and then to the hot

seat taking the helm on his lonesome. Lloyd will be supported by many of Shaun's back-room staff who served him so well.

I am sure you will join me in wishing Lloyd well and support him as we move forward.

There are a host of other volunteers, too numerous to name individually, who keep our Club running and deserve our thanks. Please forgive me for singling out Tony Hillman and Roy Staughton who have looked after the ground over the last six months.

On Saturday we got off to a disappointing start, losing 1-4 at home to a much-improved East Grinstead Town. But we will bounce back – we always do!

I must close by reminding you all that we are living under the cloud of coronavirus. We start the season with a number of restrictions to ensure that your safety is being protected within our ground.

With this in mind may I remind you of the need to follow the 'rule of six' at all time.

Please follow the special arrangements that we have put in place. If you have any concerns please speak to a steward.

Come on you Blues.

Ground Rules & Regulations

PLEASE TAKE A MOMENT TO READ THROUGH THE GROUND REGULATIONS OF HAYWARDS HEATH TOWN FOOTBALL CLUB (the "Club"). OBSERVING THESE REGULATIONS WILL MEAN A SAFER, HAPPIER AND MORE POSITIVE EXPERIENCE FOR EVERYONE AT THE CLUB'S GAMES.

Entry to the Hanbury Park Stadium (the "Ground") is expressly subject to acceptance by the visitor of these Ground Regulations and the rules and regulations of The Football Association and The BetVictor Isthmian Football League. Entry to the Ground shall constitute acceptance of these Ground Regulations.

Notwithstanding possession of any ticket, the Club reserves the right to prosecute or to eject or cause to be ejected any persons who within the Ground or is considered by the Club in its absolute discretion to be, or to have been behaving in any of the following ways or otherwise fails to comply with these Ground Regulations:

- Entering the field of play before, during or after the game;
- Uttering, making gestures or indulging in any behaviour that is, or may be construed as being threatening, racist, discriminatory, homophobic, offensive, insulting or abusive;
- Being drunk or under the influence of drink or drugs to any degree; and
- Throwing any object within the ground without lawful authority or excuse.

DO NOT bring into the Ground any bottles, metal cans, glasses, placards, firearms, knives, fireworks, smoke canisters, flares, weapons, dangerous or hazardous items, laser devices or any article that might be used as a weapon and/or compromise public safety. Any person in possession of such items will be refused entry to the Ground.

DO NOT bring into the Ground any sponsorship, promotional or marketing materials save in respect of official club merchandise and/or other football related clothing worn in good faith nor may you offer (either free or for sale by any person) any goods (including literature) of any nature without the express prior written permission of the Club.

DO NOT obstruct gangways, access ways, exits and entrances, stairways and like places. DO NOT smoke within either the Roy Hatt Family Stand or the clubhouse as these areas are strictly

smoke-free. Smoking elsewhere within the Ground is permitted in designated areas.

The Club excludes to the maximum extent permitted by law any liability for loss, injury or damage to persons/property in or around the Ground.

No guarantees can be given by the Club that a match will take place at a particular time or on a particular date and the Club reserves the right to reschedule the match without notice and without any liability whatsoever.

All persons seeking entry to the Ground acknowledge the Club's right to search any person entering the Ground and to refuse entry to or eject from the Ground any person refusing to submit to such a search.

Any individual who has entered any part of the Ground designated for the use of any group of supporters to which he does not belong may be ejected from the Ground either for the purposes of his own safety or for any other reason.

PLEASE COMPLY at all times with any and all instructions of any steward or officer of the Club and/or any police officer. Failure to comply with any instruction may lead to your immediate ejection from the Ground.

By entering the Ground, all persons are acknowledging that photographic images and/or video recordings (and/or stills taken from video recordings) may be taken of them and may also be used in televised coverage of the game or by the Club or any recognised football authority for marketing or promotional purposes.

Entry into the Ground is confirmation that all persons have consented to such use of their image. If these images should feature an individual prominently the Club will make reasonable efforts to gain the consent of that person before publishing such images, however, if this is not possible, then entry into the Ground shall be deemed consent unless the Club is notified in writing to the contrary.

If any such person is under 18 years of age, the parent, guardian, or responsible adult who is accompanying them into the Ground shall be deemed to have provided consent on their behalf.

Please enjoy matches at the Ground, but remember that if you bring children to matches you remain responsible for their safety and welfare at all times.

Ownership

In accordance with the Football Association's Standardised Rule 2.13 (Publication of ownership) in relation to Step 1 to Step 6 clubs within the National League System, the legal form of Haywards Heath Town FC is that of an unincorporated association. It has a constitution which sets out the rules that govern its relationship and membership, and elects a management committee to run the organisation on behalf of its members.

Respect

A Tribute Grahame Lehkyj

In the middle of August, the sad news broke that our friend Grahame Lehkyj had died following a short illness. Naturally we were, and still are in a state of shock, at this tragic news.

It is difficult for me, as editor, to find a way to pay tribute to our much-missed friend and colleague.

Every football club needs an able photographer to produce stills of the game and in Grahame we had one of the best. You only have to look at the portfolios on our website and the photographs in our programme and beyond, to agree with me.

I will always remember when a professional photographer was coming to one of our games, joking with Graham that he "would be working with his apprentice". Grahame replied by laughing and suggested that I'd got it the wrong way round. I beg to disagree.

Blues Chairman Mick Cottingham said: "Grahame will be a great loss to so many, he worked tirelessly for the club taking brilliant photographs at both home and away matches, as Chairman, I will make sure that he will be remembered."

Shaun Saunders said: "Fair to say everyone at the club is massively shocked, thoughts to all the family, lovely man, Rip G x"

"Grahame was a big supporter of the local media and was always delighted to see his pictures used", Mark Dunford - Head of Community Sport for JPI Media, which includes the Mid Sussex Times – said.

He added "It was a such a shock when I heard the news. Grahame was an absolute delight work with. He took such pride in his photos and they always lifted our sports pages to illustrate the match reports and stories. My condolences go out to his wife Barb, son Simon and the rest of the family. Grahame is a big loss to Sussex sport."

Tony Sim, our Fixture Secretary wrote "As competent as a photographer as he was as an uncompromising defender. Many a

happy conversation was had during the course of a game. Loved Referees, which he proved when he stopped playing with a poacher/ gamekeeper change and began wearing "the black". A larger than life character whose presence will be sadly missed wherever football is played, particularly in Sussex. R.I.P Grahame".

Doug Austen-Jones observed: "I knew Grahame for more than 40 years and was stunned and saddened to learn of his passing. As a young man he was a fiercely competitive player and referees (including myself) sometimes found his combative nature a little difficult to contain, resulting in a number of yellow cards because he could not agree with certain decisions. However, his decency always shone through and at the end of the game he usually accepted, with a smile on his face, that the decisions had been correct!

"We became firm friends in later years. Grahame was basically a true gentleman and can be described as a Knight of the Football Field. His service to the sport included time in coaching and refereeing(!) and his work as Club Photographer at Haywards Heath Town FC was highly-valued ; his involvement and total commitment never varied. We have lost a staunch friend and true supporter – his legacy has indeed left a huge void which can never be fully filled. Thank you and RIP Grahame."

Ian Townsend, Isthmian League, Communications and Social Media Officer wrote "Grahame documented the greatest period of success in the history of Haywards Heath Town. If you've seen an image featuring celebrations of title wins, cup wins, and players in blue and white, it undoubtedly came from his lens. Yet it isn't as a photographer that I will remember him; it's as a warm, funny, approachable, generous and genuine human being, who

just happened to be good at pointing a camera. The world doesn't have enough people like Grahame, and we are all much poorer for now having one less. Much love to Barbara and family, and to all at the club, from myself and all at the Isthmian League".

Stuart Morgan, our Previous Head of Communications and Media added: "Grahame you will be a huge loss to the club and the town, always such a prominent figure at home and away grounds and always so warm and welcoming. The sad news does leave a big hole and someone that will be truly missed, I thank you for the great photos and wonderful club promotion over the years that will forever provide great memories of the club and the man that took them. RIP".

Numerous tributes to Grahame have been tweeted from within the football family and include the following.

Our Charity partners WalkandTalk MMH tweeted "Such sad news, our thoughts are with his family and all at HHTFC. Sleep easy xx".

Steve Dewsnip: "Oh no, that's awful news, so very sad to read this. Deepest sympathies and thoughts are with Barb, Simon and the rest of the family. RIP Grahame!".

Blues player Byron Napper: "Such awful news to hear, RIP Big G".

James from FootiePrint on hearing the news tweeted "So sad to hear this. Grahame's photos helped me no end when producing the programmes, his shots are a fantastic visual record of the club. He'll be sorely missed in life and in print. RIP Grahame and best wishes to your family and friends".

Chichester City FC: "Very sad news. Our thoughts are with Grahame's family and all those connected with Haywards Heath Town FC."

Burgess Hill Town FC: "Our thoughts are with all of Grahame's family and friends at this difficult time."

Whitehawk FC: "We're incredibly saddened to see this, the thoughts and condolences of all at the club go to Grahame's family at this time – RIP".

Cray Wanderers FC: "On behalf of all at Cray Wanderers and across the football family we pass our condolences to the family and friends of Grahame and at the loss of a great club man. We wish Grahame's family peace at this difficult time and to all at Haywards Heath Town".

These are just a sample of the many tributes that were posted in the days following his passing. Sadly, space does not allow for them all to be reprinted in this tribute.

A typically great action shot, and one of thousands taken by Grahame at Hanbury Park

From the Editor's Desk

Dave Ellmer

Good evening, following the conclusion of last season Stuart Morgan retired from club activity leaving us needing, amongst other things, a new Programme Editor.

During the season I had been approached by a Committee member, who will remain nameless, and who knew Stuart was retiring. He asked if I would consider taking over as Editor.

Initially I resisted but eventually looked at the programme in greater detail and offered to take over. Being the only applicant, I got the job!

The first thing I was asked was whether I still intended to use FootiePrint. My reply was that I was not prepared to do it without them!

This is my first edition. While it looks the same there will be some changes that will, I hope, be seen as improvements.

One you probably won't notice is that the shade of blue in the programme is now the same as our kit. This required finding out the HEX number of the shade of blue – don't ask it's technical.

While the programme has had a general makeover, the contents will be similar. There will still be a centre page interview with a player. We have signed quite a few so it will take a while to get through them all. I also hope to do interviews with coaches, club officials and maybe a spectator or two.

Hopefully, regular columns from last season including, 'Looking Back', 'Ruminations' and 'From the Terraces' will continue. While 'Ref's Corner' will be retained, I would rather print other people's contributions. Our local news column 'Hanbury Park Life' has had to

be renamed following the renaming of our stadium and will become 'Blues News'.

It would be great to have some new contributors and I will, within reason, print most things. A guide to budding journalists, is that articles ought to be about 500 words long and utilise short paragraphs. Photos are acceptable and should be supplied as a jpeg image.

The pitch is looking in pristine condition and thanks are due to Roy Staughton who has put many hours into nurturing it.

We have also taken to crowd funding to try and replace our rustic (others words, not mine) dugouts. Please see our website for further details.

You will see that we have a new first team shirt sponsor. We are grateful to Hox Contractors for their support, which is fantastic news for the club in the current climate.

This season we have two official charity partners. Joining the Connor Saunders Foundation are Walk and Talk MMH (men's mental health). Further details about both are in our programme.

Finally, following the coronavirus pandemic there will be restrictions within the ground. Please ensure that you comply with our requests. These exist to ensure your safety and that of others.

The ramifications of not following the social distancing rules could be severe to say the least. Enjoy the game!

Manager's Notes

Lloyd Cotton

Good evening everyone and welcome to the 'Thank you NHS Stadium'. Today we play Hanwell Town, known as 'The Geordies' in the FA Cup.

May I extend a warm 'Blues' welcome to all from 'The Geordies' and to today's Match Officials. I hope you enjoy your short stay with us and have a safe journey home.

I must open by again offering my condolences to Graham Lehyj's family and friends following his untimely death. Big G, as he was affectionately known by his many friends will be missed by us all. Before Saturday's game the 'Official Photography Spot' where he used to stand and take photographs was inaugurated by Barbara and Simon.

On Saturday we played an East Grinstead Town team who are clearly a cut above last season's side. Despite our best efforts we went down four one, conceding two in each half. Hamish Morrison netting late on.

Tonight's opponents won their opener 1-0 at home to Bedfont Sports and will be full of confidence. But we will be hoping to improve on Saturday's game and move on to the next round of the competition.

Thanks are due to all of our club volunteers, without whom we would not be here today. Please be patient as they are doing things differently due to coronavirus restrictions. Finally, thanks to the fans for coming.

Enjoy the game!

Hanwell Town

Club History

Hanwell Town was originally founded in 1920 by a team of 'Geordies' working in the area and it is believed that this explains the black and white striped colours which are still used today.

The club were in the London League from 1924 to 1927 and it was in this period that they won their first major honour, sharing with Roxeth and Harrow Old Boys the Middlesex F.A Junior Charity Cup in 1926. Little else is known about the club before their disbandment at the outset of the second world war.

The club reformed in 1947/1948 playing in the Dauntless League where they climbed up through the divisions earning promotion in four successive seasons. Whilst remaining in the Dauntless League with a third eleven, the club switched allegiance to the Harrow Wembley and District League where they remained until 1969/1970. During their period in the Harrow and Wembley League the club reached eight cup finals in various league and county competitions and each time finished on the losing side.

Moving swiftly on to the 2014-15 season.

Promoted back to the Southern League Central Division, the 2014-15 season proved to be another very successful season for the club as playing at their highest ever level and aware that there only previous season as a level Four club had resulted in immediate relegation, they not only held their own but finished in seventh place, just outside of the playoffs. They also reached the final of The Middlesex Senior Cup for the first time in their history, a penalty in the final minutes proving to be a 1-0 defeat to Harrow Borough. Unfortunately, club manager Ray Duffy tendered his resignation at the end of the season so the club started afresh in Season 2015-2016 under the managerial reins of Phil Granville, a former player and manager of Uxbridge

FC and more recently manager at Harefield United. However, things did not work out as expected and Granville was relieved of his duties at around Christmas and Duffy, fresh from his break, returned to take up the reins. It proved to be a stressful run into the end of the season and only two 1-0 wins in the space of forty-eight hours against Uxbridge and Ware respectively prevented the club from being relegated.

With the management team having had the time to rebuild the squad over the close season, the 2016/17 season proved to be one in which the club held a relatively comfortable mid-table position throughout and hopes are high that the 2017/18 would see the club finish higher up the table. However, it was not to be with the club finishing too close to the bottom of the table for comfort. At the end of the season, manager Ray Duffy who had been involved in 997 games for the club as either a player or a manager tendered his resignation and the club commence the 2019/20 season with joint managers in Chris Moore and Wayne Carter.

Since arriving at Reynolds Field, the club has steadily improved the facilities with the installation of floodlights in 1989, the erection of a small stand and more recently, thanks to a grant from The Football Foundation, the erection of a stand and toilets for disabled persons. During 2005-2006 to ensure that the club met The Football Association's ground grading requirements, the seating capacity of the stand was extended to 180 seats and covered terracing was erected behind one of the goals. That this work was possible was entirely due to the generosity of the club's president Dave Iddiols and the club's then sponsor Gowing & Pursey Ltd.

and Hove Manager Chris Houghton and managed by former England goalkeeper Ray Clemence were Town's first opponents under lights and since then Spurs again, Chelsea, Brentford, and QPR have all played games on the ground.

At the end of the 2004/2005 season club chairman Bob Fisher was awarded a medallion by The Football Association in recognition of his fifty years' service to the club and very recently, Bob, completed sixty years' service at the club, a remarkable achievement, which was recognised by the club in naming the stand after him.

The club has a thriving Youth Section and this season will be fielding over 20 Youth sides, Both the Senior Club and Youth section has achieved charter standard and are highly regarded in the county and the local community.

The club has been enormously fortunate

over the years to have benefited by the commitment and effort of so many to ensure that the club survived and prospered. There are too many to name them all but special mention should be made of the Conn family, Jim, Mike and Jack, the Haynes family, Les, Stan and Reg, the Rowlands family, the Swift family, Bob, Stuart and Kenny, Sam Kelso, Phil Player, John Wake, Phil Scott, Roy Nairn, Ray Duffy and of course Dave Iddiols but no history of Hanwell Town would be complete without a mention of the club's secretary from its reformation in the 1940s to 1988, Ron Walker.

Without a home ground of their own for the majority of this period, Ron's total dedication and commitment meant that the club were able to keep going whilst many around them folded. Until he passed away at the age of 90 in November 2011, Ron continued in his role as a trustee to take a keen interest in the club's fortunes.

Staff & Player Profiles

CHRIS MOORE

Joint Manager

Started the 2017/18 season as the Egham Town manager with Wayne Carter as his assistant. This role ended in January 2018 and he decided to restart his playing career at Hanwell. He made 16 appearances for Brentford as a full time professional and also played for Dagenham & Redbridge, Northwood and Uxbridge for whom in three different spells he made over 200 appearances. At the end of the 2018-19 season together with his colleague Wayne Carter took over the managerial role from his predecessor Ray Duffy who had clocked up over 950 games in charge. Since taking over the managerial reins with Wayne has impressed everybody with his enthusiasm and professionalism.

WAYNE CARTER

Joint Manager

Joined the club in February 2018 following his departure from Egham Town where he was working alongside Chris Moore in a coaching role whilst continuing his playing career. He then appeared in every game until the end of that season. He made limited appearances last season and is not likely to feature too often in this season's line up. A vastly experienced player with enormous ability on the ball, he has played for a number of clubs in his career including Wealdstone, Northwood, Hendon and Uxbridge. Since his arrival, he has impressed everybody with his passion and dedication to the club.

STUART EVERLEY

Physio

Stuart was coaxed out of retirement by the managerial team having spent almost his entire career with Uxbridge. Having thoroughly enjoyed his first season with the club, he is not quite ready to retire (again) just yet.

DEAN SMITH

Coach

Dean works for The Premier League and is a fully qualified coach with a very large amount of experience. His role elsewhere limits his time with the club but he has been a huge help to the management team during pre-season.

PAUL RIORDAN

Goalkeeping Coach

A former goalkeeper for the Town and then for Northwood FC. Has just joined the management team.

GARETH CHENDLIK

Forward

Gareth joined us at the start of last season from Dorking Wanderers having previously played for Hemel Hempstead Town, Harrow Borough and Leighton Town. He became a firm favourite of the club's fans with his committed play and finished the season as the club's leading goal scorer.

GIANNI CRICLOW

Forward

Gianni came to our attention with his skill and pace when playing for Hendon under 23's against the club last season. He spent eight years in the academy at QPR and he is sure to be a fan's favourite with his direct style of play.

DWAYNE DUNCAN

Central Defender

Dwayne joined the club midway through last season and immediately became a regular first team selection with his command of the back four. He had previously played for Chesham United, Potters Bar Town and Harpenden Town. Remarkably as a central defender he scored 15 goals for Harpenden in the 2017-18 season.

JOEL JACOBS

Full back

Joel was a regular member of the Bracknell Town side that just missed out on promotion last season. He brings a wealth of experience to the side having previously played, other than for Bracknell Town, for Egham Town, Ashford Town (Middx), Chalfont St Peter and North Greenford United. A dead ball specialist with his sweet left foot !!

HARVEY KILLEEN

Forward

Harvey is a product of our Youth system having joined the club at 14 and at the age of 16 was a regular in our Under 18 squad and then moved up into the First team squad. He was a member of the Brentford Academy before it closed down. A very clever player who is a lot stronger than his slender frame suggests. He has trialed at QPR but injury halted his progress and trialed again this season before returning to complete pre-season with the club. We all hope that he enjoys an injury free season

JACK WALDREN

Full Back

Joined at the start of the 2018-19 season having previously played for Hemel Hempstead, Harrow Borough and Kings Langley. Has impressed everybody with his speed down the left flank and his dead ball expertise with his trusted left foot. Unfortunately, he suffered a severe leg injury last season which meant that he missed most of the latter part of the season. Now back to full strength he will make a significant contribution to the team.

ANDREW O'BRIEN

Defender

A tall and strong resolute defender who

joined from Greystones United FC in Ireland last season having moved over to take a job with The Football Association. His claim to fame is that he appeared on Liverpool FC TV when he was gifted a pair of size 11 boots by Virgil Van Dijk !!

TERLOCHLAN SINGH

Midfielder

A very experienced and capable midfield player who has joined the club this season.

HUGO SOPTE

Goalkeeper

A new signing after four seasons with Windsor whom he captained and for whom he made over 175 appearances. Previous to that he was with Hayes & Yeading and was part of their match day squad when they were in Conference South.

ROB LANEY

Forward

Another former Hanwell Town player who has returned to the club after a long spell at Wingate & Finchley, A very industrious player and a proven goal scorer.

CALLUM WOODCOCK

Forward

A new signing from Chalfont St Peter having previously played for Chesham United for whom he played twenty first team games having progressed through the Under 18 set up. He has excited in pre-season and we are anxious to see what he brings to the side.

OGUCHUKWU OBI

Forward

The latest signing as he has recently joined from Hayes & Yeading. Has made an immediate impression with a hat trick against Waltham Abbey.

In Conversation With.....

Stuart Morgan

This season our player interviews will be expanded to cover other people and we are starting with our previous Head of Communications and Media STUART MORGAN. The questions were put to him by Programme Editor, Dave Ellmer.

Where did you play in your football career?

I spent my playing days in the Mid Sussex Premier, starting at Clayton FC and then moved to East Grinstead Utd where I spent 11 or so seasons before finishing my playing days for Wisdom Sports in Haywards Heath.

What position did you play?

I always played in goal in Saturday football (despite my obvious height challenge), I did however play as a full back on Sundays!

Many triumphs?

I had a few, Winning the league title and picking up players player that year as I completed ever minute from pre-season friendlies through to the end of the season, we narrowly missed out on the double that year losing the Monty Final but I had the joy of lifting the cup on 3 separate occasions. I was proud to represent the Mid Sussex team in inter county matches a total of around 10 times and still have the red and black tie at home. Although not an actual trophy in my first senior year at Clayton I faced 12

penalties in the season, saved 10, conceded 1 and the other is probably still somewhere up by Jack and Jill windmills.

What originally brought you to Haywards Heath?

After finishing playing, I helped manage Wisdom Sports, it was getting tougher and tougher to get the number of players needed to fill the current sides as more and more new sides were forming and being accepted by the league. A potential merger was looked at between Heath and Wisdoms but nothing came of it, eventually I agreed to run the reserves as assistant to Paul Foskett (Foz) and we made the move over.

What is it like managing the 'stiffs' as the seconds are often called?

I was never meant to manage the side but as with many things in football it just seem to happen after Foz was unable to commit due to family issues, we had a tough first season struggling for numbers but we saw it through and then started to rebuild, we got the balance just right with youth,

The side which won the SCFL in 2018

experience and Steve Spies. There was a good competitive spirit and lifting the title and getting to the cup final proved we had got it right by sitting together as a group. The lads would often go and support the first team on the bench and that was always the hardest trying to fill gaps at the last minute but that is what goes with running the reserves.

What did you enjoy most in our meteoric rise from Southern Combination to Isthmian South East?

It's certainly been a roller-coaster but one I have thoroughly enjoyed. Non-league football is tough at any level but even more so when you are based in a commuter town where probably half are just living there for the train links to London. The fans that are there week in week out are brilliant and we as a club need to get that snowball effect continuing as Hanbury is a great place to be and even better when it's buzzing with people. The most memorable has to be the success that club has had over the last few years with Shaun as manager, his support team and him has brought more silverware year after year than I can ever imagine.

What two things did you find the most frustrating?

The SCFL's handling of the whole 12-point, deduction that cost us the title and promotion a year earlier. But credit to everyone for going on to do it again the following year. My other frustration had to be how difficult it is at times to get buy in to ideas and everyone pulling the same weight to get a job done, at non-league football the saying 'many hands make light work' could be far better put to practice around Hanbury.

Two would you like to change in the game?

At Non-League level I would have a proper enforced salary cap dependant on the level you operate in as well as a max 22 man squad that had to be their playing or not for the whole season. Although I understand that as it is not someone's job then there really is nothing stopping them from not

showing up, which is why it will never work in non-league unless every player is on a binding FA Contract.

I would also make it mandatory that football supporters must attend their local sides matches!

What do you do to get away from football and work?

I have always been into TV series and films and I'm really getting into golf with my boy who is 13. Golf is something we can do together now I have time to give back to the family, finally when all else fails I play Golf Clash on the iPhone!

And finally, the future?

Work and family have taken to me grabbing back some time away from football for the first time in many years which is what I need right now, but I have made so many friends around football that I would like to see myself back involved one day. Heath still has so much unlocked potential and who knows after a time concentrating on other things it may well be time for a return.

Stuart, many thanks for taking time out to do an interview for our programme. We hope to see you at the Thank you NHS stadium during the season.

“I will give everything for this club”

Meet our new boss Lloyd Cotton

By Mark Dunford

At the beginning of August, Lloyd Cotton was named joint manager of Haywards Heath Town.

But by the end of the month, Shaun Saunders stepped down leaving Cotton as sole manager of the Isthmian South East Division side.

We caught up with Lloyd ahead of the season to see how it has gone going from player to manager, and what Blues fans can expect from his side.

Q. It's been a bit of whirlwind for yourself with joining the management team then Shaun leaving - how has that affected the team in pre-season?

A. It's been quite different for the boys because I was a player last year. But the transition has been pretty smooth because Shaun has been around the whole time and he's been helping out behind the scenes. He's still there in quite a capacity so it's not been a massive change, it's been a smooth transition over.

The team seems great and everyone seems fine with it and been pretty positive all round.

Q. How have you felt pre-season games has gone?

A. Pre-season games have gone well so far. We are setting up a certain way we want to play this year and everyone has reacted really well to what we have told them about how we want to set out. The results have been pretty good.

Q. Are you happy with the squad you have built?

A. I am really happy with the boys we have got in the squad. We still have a massive squad and it's going to be really, really competitive this year, there will be some seriously hard choices to make. Ben Burns, Ryan Taylor and Shaun have all been working overtime to get some of these players in and I am absolutely delighted with the squad. A good bunch of lads and I am hoping we can kick on.

Q. Who have you brought in that you think will help Haywards Heath Town progress this season?

A. There have been some wholesale changes. We have some massive changes in the squad this year. You can just look through it and see the difference from last season.

All the players who we have brought in can make an impact. I feel the team we are building can take us in the right direction and we are doing things the right way. Hopefully they can all contribute to that.

Q. I bet you can't wait to get back into competitive action this week with the FA Cup tie against Broadbridge Heath? It's been a long wait hasn't it! What do you know about Broadbridge Heath? Are you confident of winning?

A. Me, and everyone at the club, are looking to get some normality back and get some competitive football going.

It has been a long wait. We sent someone to have a look at them this week so we know enough about them to take into the game. We are going to be set up a certain way I want us to play and that's us this year. We will have a way of playing and we will play that against most sides and we will have to see how it all pans out.

I want to be confident going into any game this season thinking we can get something out of all games, so that's the mentality we have got to have this year.

Sadly, this game was called off following positive coronavirus tests at Broadbridge Heath FC.

Q. Do you know your line-up and formation already or is it something you are still working on?

A. I have been working with a large number of players over the last couple of months and it's been so competitive but it's starting to take shape now and I'm starting to know how I want to set out the team. This year I am hoping to keep as many of the boys as possible because the squad is really important and it always is for a big season.

We know what formation we are going to play.

Q. How important is the FA Cup to a club like Haywards Heath Town?

A. The FA Cup is massive for us and it's a good day out for the boys. If you get a little run going in the FA Cup you can have some massive games and the fans love it. We want to do really well in it and progress.

Q. And what can Heath fans expect from you as a manager and what can they expect from your team?

The fans can expect from me what they saw on the pitch. 100 per cent at all times. I will give my everything for this club. Heart on my sleeve and working with the boys and getting as much out of them as I possibly can. I feel like a team I put out on the pitch will work very hard and will be playing for the shirt. That's a big thing for me.

This interview first appeared in the Mid Sussex Times and is reproduced with their permission and our grateful thanks.

The International Football Association Board (IFAB) met in April 2020 and agreed on some minor changes to the Laws of the Game and I am sharing them with you.

- The Goalposts and the crossbar as defined in Law 1 may be a combination of the four basic shapes.
- In the event of a game being decided by kicks from the penalty mark any warnings or cautions will not be carried forward. This will especially benefit goalkeepers who are always in danger of picking up a 'yellow' for an offence at a penalty kick.
- Deliberate handball by a defending player is now considered to be 'deliberate play' when judging offside.
- The IFAB have now defined what is meant by the 'hand' in handball. It is any part of the arm or hand but not the shoulder. To be precise it is any part of the arm below the armpit.
- Attacking players will only be penalised for accidental handball if it occurs 'immediately' before a goal or clear goal-scoring opportunity.
- A goalkeeper can be sanctioned if they 'illegally' touch the ball a second time after a restart, goal kick, free kick etc, even if the touch is with the hand and or arm.
- Any offence, not just a foul, which interferes with or stops a promising attack should result in a Yellow Card (YC) for the offender(s).
- A player who fails to respect the 4m required distance at a dropped ball should receive a YC.
- If the referee plays advantage or allows a 'quick' free kick for an offence which interfered with or stopped a promising attack, the YC is not issued.

- At a Penalty Kick an offence by the goalkeeper is not penalised if the penalty kick misses the goal or rebounds from the goal (without a touch from the goalkeeper) unless the offence clearly affected the kicker.

An example of this may be the keeper coming off their line towards the kicker clearly putting them off. While the goalkeeper is warned for the first offence, it is a YC for any further offence(s). The kicker is penalised if the goalkeeper and the kicker offend at exactly the same time.

While on, you may have noticed that last season's FA Cup Final referee was Anthony Taylor. He previously refereed the final in 2017 when Arsenal defeated Chelsea 2-1.

The previous time a referee did a second FA Cup Final was Arthur Kingscott in 1901!

I remember the 2017 final well as I was there. I will always remember the first Arsenal goal that had a sniff of handball about it. I suspect that that if the build up to the goal happened now, VAR and the change to the interpretation of handball might rule it out.

As for his performance second time around, I'm a Chelsea supporter so I will let you decide. But was the foul that led to the sending off really worthy of a caution?

The FA had decided that as this was a unique final with no crowd and a different atmosphere it was unfair for the referee to have to referee their one cup final in these circumstances.

My only observation is that this may deprive a referee of the chance to do a Cup Final. I'm sure that given the choice of a final with no crowd or no final, the referee would choose to referee the final!

Looking Back Snippets from the Past

The move to Hanbury Park in 1952 enabled the club to broaden its horizons and to leave the Sussex County League to join the Metropolitan League for the start of the 1952-53 season where it would meet the reserve sides of London professional clubs such as West Ham, Tottenham Hotspur, Chelsea, and Arsenal.

After a promising first season when HHFC finished the year in fifth place the club, perhaps inevitably, found itself struggling against the professional opposition and, finishing bottom of the table in the 1960-61 season, elected to re-join the Sussex County League the following year. Although the decade of the 1950s was not the outstanding success some may have hoped for, it was nevertheless a heady time for the club playing against some junior professionals who would later become part of England's World Cup winning squad of 1966.

Half way through the club's 'Metropolitan years', Haywards Heath Football Club finally brought home the Sussex County Senior Challenge Cup on the 10th May 1958 after having been beaten finalists on three previous occasions. The match was played on Brighton & Hove Albion's Goldstone ground where the club were to meet Worthing FC from the Corinthian League who had been the previous opponents from the club's last Final appearance in the 1946-47 season.

In the first round against Shoreham FC, the club had won by 7-goals to 1 at home following a goalless draw away. The second and third rounds were both played at Hanbury against Horsham who were beaten by 4-goals to 3, and Chichester City who went out 3-goals to 1. The semi-final against A.P.V Athletic was played at Horsham and HHFC won by 1-goal to nil after a 2-all draw had forced another replay.

The line up for the Goldstone Final was John

Part 20 The Metropolitan Years THE UPS AND DOWNS OF THE 1950S

'Doggie' Cragg in goal with Dave Wells at right back and Brian Newcombe left back. The half-backs were Geoff Sear on the right, the captain Jack Wilkins playing centre half, and Mick Rapley at left half. The forward line consisted of Gordie Howieson outside right, Dave Standing inside right, Sid Stenning at centre forward, Len Oram inside left, and Arthur Barkley on the left wing.

Two members of the team were back on familiar ground at the Goldstone that day, as both Jack Wilkins and Gordie Howieson were former Albion professionals

So, overall, the 1950s was an exciting decade for the club. Venturing into the Metropolitan League may have proved to be a step too far for a team of amateur players against the very best of the country's professional clubs but, on the other hand, perhaps the experience taught the club the skills they required to lift the Senior Cup?

Our regular "Looking Back" features have been extracted from 'A Tendency to Frighten Horses – a History of HHFC from 1888 to 1958' researched and written by Club Trustee Mike Lewis.

From The Terraces

by Dave Ellmer

Five wins and a dodgy turnstile!

Yes, it's our pre-season friendly report.

Having searched through our twitter account I found seven games.

Of these three were played behind closed doors (#), two at training facilities, with the Worthing game being played at Lancing FC. There were two beyond Sussex against Isthmian League South Central Sides Westfield, and Tooting & Mitcham United.

Our 0-0 draw at home to Lewes on 5 September was a valuable opportunity to test our coronavirus precautions.

I was in the gatehouse and all was OK until we tried to admit our first customer through the little used and now screened number 2 gate.

We found that the gate would only rotate if it was assisted by two people and even then, it made an ear-splitting screech.

So, we donned masks and switched to number 1 gate instead. No criticism of those who made the turnstiles compliant, but must add WD40 or the equivalent to my gate kit!

Sorry, nearly forgot, the scores were as follows:

AFC Uckfield 1:3 Blues (#)
Blues 4:1 Eastbourne Utd (#)
Hassocks 1:2 Blues
Worthing 3:1 Blues (#)
Westfield 0:4 Blues
Blues 0:0 Lewes
Tooting & Mitcham Utd 1:4 Blues

Sadly, our FA Cup Match at Broadbridge Heath last Saturday fell victim to positive coronavirus tests. We wish all involved a speedy recovery.

Twelve young people die every week from sudden cardiac arrest – of those, 270 are children who will die at school. Even more tragically 80% of these young people will have no symptoms.

We know the impact of devastating loss and work to ensure that along with our peaceful message, we spread defibrillators far and wide, not only in Sussex but across the country too. We also promote an anti-violence message to pupils in schools teaching that your hands are there to help not hurt others. First Aid is not part of the school curriculum at primary school age, so we offer First Aid training classes as well, when we present a school with a Defibrillator.

In October 2019 we presented our 100th Defibrillator to the wonderful Upper Beeding School, since then we have donated a few more taking our total to 104 Defibrillators since 2012.

This is all in memory of Connor's remarkable gift for life and know that despite our personal tragedy, he'd be delighted at just how many people are 'heart safe' because of him and how he lives in our hearts, our memories and actions today.

We look forward to getting back to our work in the community after this difficult time for us all, we hope by the end 2020 we will have donated another defibrillator nationwide and locally too.

Our hopes for 2021 is to be able to put together a mindfulness program that helps children who are suffering with loss and grief.

MEET THE TEAM

Darran, Connor's proud Mum, works tirelessly to prevent another families heartbreak. By using their story in anti violence workshops and training, she encourages children to understand the full impact of their actions and to use their hands for good, instead of in anger.

Darran was awarded a British Empire Medal in 2018 for her incredible & brave work on the issue, in recognition of meritorious civil service.

Courtney, Connor's adored big sister, works booking the school visits, planning and organising the fundraising and making sure all the communication channels are up to date.

Like her mum Darran, Courtney was awarded a British Empire Award in 2018 for her dedication and work on the issue in her brother's name, again in recognition of meritorious civil service.

"GIVING IS NOT JUST ABOUT MAKING A DONATION. IT'S ABOUT MAKING A DIFFERENCE"

Here at the Connors Saunders Foundation, we are ALWAYS looking for more people to join us on our quest to make Sussex 'heart safe'.

We are looking for people to help us at our events or help us by fundraising so we can reach more schools. You could help by buying our merchandise or by sharing stories through social media – increasing our peaceful impact and encourage more people to use their hands to help, rather than hurt.

As a small family run organisation, we simply can't do it by ourselves and rely on our lovely volunteers to help raise awareness and get more schools and students involved. We'd love you to join us – please email us at info@connors5.com to find out how you can help us with our work.

Walk and Talk MMH believe football is key to opening up the conversation regarding men's mental health, raise awareness and prevent male suicide, which is the biggest killer of men under 45 in the UK.

14 men take their own lives in the UK every single day. The group are determined these shocking statistics have to change. They hold events across the UK, bringing opposition fans together, walking from one stadium to another on match days.

Their fundraising and events that help so many were impacted with lockdown and games played behind closed doors, but they are back! This will be the sixth season for Walk and Talk MMH.

They have covered over 9,000 miles to date walking and talking with fans from Non-League, Championship, Premier League and Scottish Premiership Clubs.

They have seen that something as simple as companionship can save lives. The group believes that football has the power to help men who find themselves in a position of loneliness and isolation.

Walking has such a powerful effect on mental and physical health, and with the ability to talk openly in a friendly environment elevates that impact. Everyone is welcome to join for a mile, 2 miles or the whole distance.

Lockdown has been a chance to reset and unwind for some, and a challenging, worrying

and lonely time for many others. Never has there been a more important time to get out and talk about your own mental health.

The walk between stadiums gives the opportunity to open up about anything weighing on your mind, or just talk football, no matter what your club colours are. The group provide peer to peer support for each other, based on personal experiences.

Lee Adams, Founder of Walk and Talk MMH, said "I went through a difficult period some time ago. I felt alone, isolated, with nowhere to turn, and was close to taking my own life. Five years ago I started walking to Fulham FC away games, to raise awareness that 1 in 4 of us may suffer at some point in our lives, and I soon understood I wasn't alone.

"I became motivated to turn my experiences into a positive to help and support others who felt the same as I had.

"People started to join me, and now this has become a huge movement of fans coming together from many teams, to let other men know that it's ok to talk."

Walk and Talk MMH are extremely proud to be named as one of the 2020/21 charity partners, and look forward to working together with HHTFC for the forthcoming season.

The Economies of Grassroots Football

No need to raise a mortgage to come and watch us play at pocket money prices every other Saturday. You can buy a season ticket for the price you'd pay per game to watch the Premier-donnas, but the passion's still the same.

We don't have corporate 'boxes' (you can use an empty crate!) tho' it's clear the paradox is that, despite our lowly gate, at just ten quid our fans enjoy the game as much as those who go to see a Premier team and pay up through the nose.
