Welcome to the Thank You NHS Stadium

Good Afternoon Ladies and Gentleman and welcome to the newly named and much changed 'Thank You NHS Stadium'. Since our last competitive home game against Phoenix Sports over six months ago much has happened.

It will be refreshing to have a crowd at our ground again, watching football, making noise and enjoying yourselves.

A special welcome goes to all from East Grinstead Town FC and today's Match Officials. I hope they enjoy their afternoon.

Sadly, I must open by talking about the passing of Grahame Lehkyj, a Blues stalwart as both a player and more recently a club photographer. Grahame was ever present with his camera taking images of our games both home and away. His images have adorned not only our programme and website but also many other media outlets including the Mid-Sussex Times.

He will be deeply missed by all and our condolences go to his wife Barbara, their son Simon, their extended family and all of their friends.

In time there will be a permanent memorial to Grahame within the ground. I understand that it will occupy a space near to where he stood when taking photographs.

Our sympathies go to Broadbridge Heath FC who sadly had to withdraw from the FA Cup after some of their players tested positive for coronavirus.

On the football front we are 'Under new Management!'. After five glorious years

Shaun has decided to leave the club. We cannot thank Shaun enough for all he has done for the 'Blues'.

Our longstanding physio John Fairley has also decided to leave. We wish him well for the future.

Stepping up to the plate is Lloyd Cotton who has been rapidly promoted from player, to coach, to joint Manager, and then to the hot seat taking the helm on his lonesome. Lloyd will be supported by many of Shaun's back-room staff who served him so well.

I am sure you will join me in wishing Lloyd well and support him as we move forward.

There are a host of other volunteers, too numerous to name individually, who keep our Club running and deserve our thanks.

Please forgive me for singling out Tony Hillman and Roy Staughton who have looked after the ground over the last six months.

I must close by reminding you all that we are living under the cloud of coronavirus. We start the season with a number of restrictions to ensure that your safety is being protected within our ground.

Please follow the special arrangements that have been put in place. If you have any concerns please speak to a steward.

Come on you Blues.

The Thank You NHS Stadium Ground Rules & Regulations

PLEASE TAKE A MOMENT TO READ THROUGH THE GROUND REGULATIONS OF HAYWARDS HEATH TOWN FOOTBALL CLUB (the "Club"). OBSERVING THESE REGULATIONS WILL MEAN A SAFER, HAPPIER AND MORE POSITIVE EXPERIENCE FOR EVERYONE AT THE CLUB'S GAMES.

Entry to the Hanbury Park Stadium (the "Ground") is expressly subject to acceptance by the visitor of these Ground Regulations and the rules and regulations of The Football Association and The BetVictor Isthmian Football League. Entry to the Ground shall constitute acceptance of these Ground Regulations.

Notwithstanding possession of any ticket, the Club reserves the right to prosecute or to eject or cause to be ejected any persons who within the Ground or is considered by the Club in its absolute discretion to be, or to have been behaving in any of the following ways or otherwise fails to comply with these Ground Regulations:

- Entering the field of play before, during or after the game;
- Uttering, making gestures or indulging in any behaviour that is, or may be construed as being threatening, racist, discriminatory, homophobic, offensive, insulting or abusive;
- Being drunk or under the influence of drink or drugs to any degree; and
- Throwing any object within the ground without lawful authority or excuse.

DO NOT bring into the Ground any bottles, metal cans, glasses, placards, firearms, knives, fireworks, smoke canisters, flares, weapons, dangerous or hazardous items, laser devices or any article that might be used as a weapon and/or compromise public safety. Any person in possession of such items will be refused entry to the Ground.

DO NOT bring into the Ground any sponsorship, promotional or marketing materials save in respect of official club merchandise and/or other football related clothing worn in good faith nor may you offer (either free or for sale by any person) any goods (including literature) of any nature without the express prior written permission of the Club.

DO NOT obstruct gangways, access ways, exits and entrances, stairways and like places.
DO NOT smoke within either the Roy Hatt Family Stand or the clubhouse as these areas are strictly

smoke-free. Smoking elsewhere within the Ground is permitted in designated areas.

The Club excludes to the maximum extent permitted by law any liability for loss, injury or damage to persons/property in or around the Ground.

No guarantees can be given by the Club that a match will take place at a particular time or on a particular date and the Club reserves the right to reschedule the match without notice and without any liability whatsoever.

All persons seeking entry to the Ground acknowledge the Club's right to search any person entering the Ground and to refuse entry to or eject from the Ground any person refusing to submit to such a search.

Any individual who has entered any part of the Ground designated for the use of any group of supporters to which he does not belong may be ejected from the Ground either for the purposes of his own safety or for any other reason.

PLEASE COMPLY at all times with any and all instructions of any steward or officer of the Club and/or any police officer. Failure to comply with any instruction may lead to your immediate ejection from the Ground.

By entering the Ground, all persons are acknowledging that photographic images and/or video recordings (and/or stills taken from video recordings) may be taken of them and may also be used in televised coverage of the game or by the Club or any recognised football authority for marketing or promotional purposes.

Entry into the Ground is confirmation that all persons have consented to such use of their image. If these images should feature an individual prominently the Club will make reasonable efforts to gain the consent of that person before publishing such images, however, if this is not possible, then entry into the Ground shall be deemed consent unless the Club is notified in writing to the contrary.

If any such person is under 18 years of age, the parent, guardian, or responsible adult who is accompanying them into the Ground shall be deemed to have provided consent on their behalf.

Please enjoy matches at the Ground, but remember that if you bring children to matches you remain responsible for their safety and welfare at all times.

Ownership

In accordance with the Football Association's Standardised Rule 2.13 (Publication of ownership) in relation to Step 1 to Step 6 clubs within the National League System, the legal form of Haywards Heath Town FC is that of an unincorporated association. It has a constitution which sets out the rules that govern its relationship and membership, and elects a management committee to run the organisation on behalf of its members.

Respect

A Tribute Grahame Lehkyj

In the middle of August, the sad news broke that our friend Grahame Lehkyj had died following a short illness. Naturally we were, and still are in a state of shock, at this tragic news.

It is difficult for me, as editor, to find a way to pay tribute to our much-missed friend and colleague.

Every football club needs an able photographer to produce stills of the game and in Grahame we had one of the best. You only have to look at the portfolios on our website and the photographs in our programme and beyond, to agree with me.

I will always remember when a professional photographer was coming to one of our games, joking with Graham that he "would be working with his apprentice". Grahame replied by laughing and suggested that I'd got it the wrong way round. I beg to disagree.

Blues Chairman Mick Cottingham said: "Grahame will be a great loss to so many, he worked tirelessly for the club taking brilliant photographs at both home and away matches, as Chairman, I will make sure that he will be remembered."

Shaun Saunders said: "Fair to say everyone at the club is massively shocked, thoughts to all the family, lovely man, Rip G x"

"Grahame was a big supporter of the local media and was always delighted to see his pictures used", Mark Dunford - Head of Community Sport for JPI Media, which includes the Mid Sussex Times - said.

He added "It was a such a shock when I heard the news. Grahame was an absolute delight work with. He took such pride in his photos and they always lifted our sports pages to illustrate the match reports and stories. My condolences go out to his wife Barb, son Simon and the rest of the family. Grahame is a big loss to Sussex sport."

Tony Sim, our Fixture Secretary wrote "As competent as a photographer as he was as an uncompromising defender. Many a

happy conversation was had during the course of a game. Loved Referees, which he proved when he stopped playing with a poacher/ gamekeeper change and began wearing "the black". A larger than life character whose presence will be sadly missed wherever football is played, particularly in Sussex. R.I.P Grahame".

Doug Austen-Jones observed: "I knew Grahame for more than 40 years and was stunned and saddened to learn of his passing. As a young man he was a fiercely competitive player and referees (including myself) sometimes found his combative nature a little difficult to contain, resulting in a number of yellow cards because he could not agree with certain decisions. However, his decency always shone through and at the end of the game he usually accepted, with a smile on his face, that the decisions had been correct!

"We became firm friends in later years. Grahame was basically a true gentleman and can be described as a Knight of the Football Field. His service to the sport included time in coaching and refereeing(!) and his work as Club Photographer at Haywards Heath Town FC was highly-valued; his involvement and total commitment never varied. We have lost a staunch friend and true supporter - his legacy has indeed left a huge void which can never be fully filled. Thank you and RIP Grahame."

Ian Townsend, Isthmian League, Communications and Social Media Officer wrote "Grahame documented the greatest period of success in the history of Haywards Heath Town. If you've seen an image featuring celebrations of title wins, cup wins, and players in blue and white, it undoubtedly came from his lens. Yet it isn't as a photographer that I will remember him; it's as a warm, funny, approachable, generous and genuine human being, who

just happened to be good at pointing a camera. The world doesn't have enough people like Grahame, and we are all much poorer for now having one less. Much love to Barbara and family, and to all at the club, from myself and all at the Isthmian League".

Stuart Morgan, our Previous Head of Communications and Media added: "Grahame you will be a huge loss to the club and the town, always such a prominent figure at home and away grounds and always so warm and welcoming. The sad news does leave a big hole and someone that will be truly missed, I thank you for the great photos and wonderful club promotion over the years that will forever provide great memories of the club and the man that took them. RIP".

Numerous tributes to Grahame have been tweeted from within the football family and include the following.

Our Charity partners WalkandTalk MMH tweeted "Such sad news, our thoughts are with his family and all at HHTFC. Sleep easy xx".

Steve Dewsnip: "Oh no, that's awful news, so very sad to read this. Deepest sympathies and thoughts are with Barb, Simon and the rest of the family. RIP Grahame!".

Blues player Byron Napper: "Such awful news to hear, RIP Big G".

James from FootiePrint on hearing the news tweeted "So sad to hear this. Grahame's photos helped me no end when producing the programmes, his shots are a fantastic visual record of the club. He'll be sorely missed in life and in print. RIP Grahame and best wishes to your family and friends".

Chichester City FC: "Very sad news. Our thoughts are with Grahame's family and all those connected with Haywards Heath Town FC."

Burgess Hill Town FC: "Our thoughts are with all of Grahame's family and friends at this difficult time."

Whitehawk FC: "We're incredibly saddened to see this, the thoughts and condolences of all at the club go to Grahame's family at this time - RIP".

Cray Wanderers FC: "On behalf of all at Cray Wanderers and across the football family we pass our condolences to the family and friends of Grahame and at the loss of a great club man. We wish Grahame's family peace at this difficult time and to all at Haywards Heath Town".

These are just a sample of the many tributes that were posted in the days following his passing. Sadly, space does not allow for them all to be reprinted in this tribute.

A typically great action shot, and one of thousands taken by Grahame at Hanbury Park

From the Editor's Desk

Dave Ellmer

Good afternoon, following the conclusion of last season Stuart Morgan retired from club activity leaving us needing, amongst other things, a new Programme Editor.

During the season I had been approached by a Committee member, who will remain nameless, and who knew Stuart was retiring. He asked if I would consider taking over as Editor.

Initially I resisted but eventually looked at the programme in greater detail and offered to take over. Being the only applicant, I got the job!

The first thing I was asked was whether I still intended to use FootiePrint. My reply was that I was not prepared to do it without them!

This is my first edition. While it looks the same there will be some changes that will, I hope, be seen as improvements.

One you probably won't notice is that the shade of blue in the programme is now the same as our kit. This required finding out the HEX number of the shade of blue – don't ask it's technical.

While the programme has had a general makeover, the contents will be similar. There will still be a centre page interview with a player. We have signed quite a few so it will take a while to get through them all. I also hope to do interviews with coaches, club officials and maybe a spectator or two.

Hopefully, regular columns from last season including, 'Looking Back', 'Ruminations' and 'From the Terraces' will continue. While 'Ref's Corner' will be retained, I would rather print other people's contributions. Our local news column 'Hanbury Park Life' has had to

be renamed following the renaming of our stadium and will become 'Blues News'.

It would be great to have some new contributors and I will, within reason, print most things. A guide to budding journalists, is that articles ought to be about 500 words long and utilise short paragraphs. Photos are acceptable and should be supplied as a jpeg image.

The pitch is looking in pristine condition and thanks are due to Roy Staughton who has put many hours into nurturing it.

We have also taken to crowd funding to try and replace our rustic (others words, not mine) dugouts. Please see our website for further details.

You will see that we have a new first team shirt sponsor. We are grateful to Hox Contractors for their support, which is fantastic news for the club in the current climate.

This season we have two official charity partners. Joining the Connor Saunders Foundation are Walk and Talk MMH (men's mental health). Further details about both are in our programme.

Finally, following the coronavirus pandemic there will be restrictions within the ground. Please ensure that you comply with our requests. These exist to ensure your safety and that of others.

The ramifications of not following the social distancing rules could be severe to say the least. Enjoy the game!

ISTHMIAN FOOTBALL LEAGUE

Manager's Notes

Lloyd Cotton

Good afternoon everyone and welcome to the 'Thank you NHS Stadium'. Today we play East Grinstead Town, known as the 'Wasps' in the league.

May I extend a warm 'Blues' welcome to all from the 'Wasps' and to today's Match Officials. I hope you enjoy your short stay with us and have a safe journey home.

I must open by offering my condolences to Graham Lehkyj's family and friends following his untimely death. Big G, as he was affectionately known by his many friends will be missed by us all. Part of his legacy will be the countless number of action photographs he took and that now adorn many a publication.

I had intended to comment on what I hoped would be a successful trip to Broadbridge Heath FC in the FA Cup. Sadly, due to positive coronavirus tests they had to withdraw and we received a bye into the next round and play Hanwell Town at home next Tuesday evening.

We've had a great pre-season winning five of our seven games, drawing one and losing one. Our game at home to Lewes was a good workout for the lads and finished 0-0. Despite coronavirus restrictions we had a crowd of over 150 cheering the teams on.

We have a large squad and competition for a starting berth will be intense. I know there have been a few changes, to say the least, but I am sure you will get behind our players old and new.

Shaun has left me with a great 'backroom' staff who have worked tirelessly in preseason. But now the real works begins as points and cup progression are at stake.

Thanks are due to all of our club volunteers, without whom we would not be here today. Please be patient as they are doing things differently due to coronavirus restrictions.

Finally, please cheer us loudly, it really does lift the team. I will close by shouting "Onwards and upwards!".

Enjoy the game!

Club History

1890s

East Grinstead Town Football Club was formed on May 8, 1890 although it was another ten years before they played their first competitive match as founder members of the Mid Sussex Football League. In those early days the club played in blue and white with the town's coat of arms on the breast pocket. It was some years before they adopted their current colours of amber and black and were nicknamed 'The Wasps,' both of which survive to this day.

1900s

They won the Mid Sussex League in 1902 and their first major honour followed seven years later when they shared the Sussex Junior Cup with Arundel.

In 1909 they were awarded senior status which they have held ever since apart from two seasons when they were relegated to the intermediate third division of the Sussex County League in 1989.

1910s

In 1912 Grinstead reached the Sussex Senior Cup final for the only time in their history but lost 4-1 to St Leonards Amateurs in a ferocious snowstorm.

1920s

The Wasps were original members of the Sussex County League when it was founded in 1920, but they struggled to make any impact and after finishing bottom in 1927 and replaced by Horsham, they were not re-elected.

1930s

Rather than returning to the Mid Sussex League, they had four successful seasons in the Brighton League before stepping up to the Southern Amateur League. A fresh challenge reinvigorated the club and they won the Division Three title in 1932 with 15 victories out of 18. Three years later they played on the Test match cricket ground at Trent Bridge in Nottingham when they defeated Nottinghamshire Amateurs 6-0 in the old FA Amateur Cup.

Determined to regain their place in the Sussex County League, they were re-elected back in 1937 after winning the Mid Sussex League again and finished fifth in their first season.

1940s

In those halcyon days either side of the Second World War, four-figure crowds were the norm at their old ground in West Street, East Grinstead, which they shared with the town's cricketers. The club's record attendance is 2,006 for an FA Amateur Cup tie against Lancing in November, 1947.

1950s

Success eluded Grinstead until 1952 when they won the Baldwin Cup, the forerunner of the Sussex County League Cup. That team is reckoned by many to be the finest the club has ever produced. It was certainly the most entertaining - 42 games that season in league and cup produced 222 goals!

Grinstead were third in 1955, but their fortunes began to decline along with crowd numbers after that. They left West Street in 1959 and had a spell at King Georges Field in the town centre.

1960s

Following the spell at King Georges Field in the town centre it wasn't until 1967 that they finally moved to their current home at East Court after

a protracted battle to get the ground, which was prone to waterlogging, fit for football.

1970s

The club again finished third in 1973 but that was as good as it got for another 30 years although Grinstead did reach their first cup final since 1952 when they lost 4-1 to Haywards Heath in the RUR Cup in 1974 despite taking the lead. Wasps found themselves in Division Two for the first time in 1979.

1980s

During the 1980s the club regularly hosted Crystal Palace and Brighton in charity fixtures watched by crowds of over 2,000 spectators. However during this time the Wasps had dropped even lower with two seasons in Division Three before regaining senior status.

1990s

They were promoted back to Division One in 1993, but lasted just two years. Floodlights were installed in 1997.

2000s

Bob Smith led Wasps back to Division One in 2003 and they also won their first trophy for 52 years, beating Three Bridges 4-0 in the final of the RUR Cup. Unfortunately, the club were relegated back to Division Two on the final day of the 2004-05 season and in October 2006 Smith, the longest-serving manager in the club's history, was replaced by former player Steve Norris.

In his second season Wasps romped to the Second Division title by a massive 18 points, losing just twice all season. Their winning run of 14 successive league games at the start of the season meant they became the last senior non-league team in the country to drop points.

Since then the club has established itself in the top flight, most recently under former Brighton striker Simon Funnell and their progress on the field has been matched off it. A new drainage system laid in 2003 transforming the playing surface, which is now one of the best in Sussex.

The club were awarded the prestigious FA Standard Chartered Development Club award in 2003 and were registered as a Community Amateur Sports Club in 2005. In 2008 two new stands and a pitch perimeter barrier were erected.

2010s

In 2014 with the GAC Stadium already meeting the requirements of the Isthmian Football League after installing additional seating, the club began work on a new dressing room and hospitality complex, a new turnstile block and entrance and a resurfaced car park. Part of the 2014 funding included a £50,000 grant from FA Cup sponsors Budweiser, £100,000 from the Football Stadium Improvement Fund, £40,000 from Mid Sussex District Council and £35,000 from SITA Trust.

Funnell's side finished the season in second place, their highest ever County League position, and in May 2014, the club were accepted into the Isthmian League for the first time in our history. Funnell left the club during our first season at Step 4 and Tony Beckingham returned to East Court for a second spell. 'Becks' kept the club in the League but he resigned in October 2015 and Matt Longhurst took over. Matt made sure Wasps retained their Isthmian status in his first season and in his two following seasons (bar a mini-break on the South Coast for a couple of weeks)

During 2018 the club commenced working in partnership with the local Jubilee Community Centre to develop disability football provision in the area. 2018 also saw the Football Association announcement of a revamping of the Non-League pyramid. From 2018/19 the two division step 4 Isthmian League Division One North and One South (which the Wasps competed in) was replaced by 3 divisions (North, South-Central and South-East).

2019/20 saw the The Wasps compete in their sixth season at this level in the 20 team Isthmian League South-East.

Today's Opponents

East Grinstead Town

Player Profiles

JERRY AMOO

Former Kingstonian, Aylesbury, Walton Casuals, Leatherhead and Carshalton striker who joined the club in the summer. Jerry began his career at West Ham United and played in their under-21 team. He can also play in a wide midfield role.

TOM BOYLE

Tom is an experience goalkeeper who has played for several non-league clubs and has represented the Great Britain Deaf Team. His most recent Sussex club was Chichester City.

GIL CARVALHO

Wide player Gil is in his second season with the Wasps and is one of the few survivors in the squad who finished last season at the OHOB Community Stadium. Gil is quick and aggressive and has an eye for scoring and creating goals.

DREW COONEY

The club's longest serving player, central defender Drew has racked up nearly 400 appearances for the Wasps during three separate spells. He's also played for Three Bridges and Redhill and made his Grinstead debut back in 2002.

JAY GASSON

Another summer recruit by Leigh Dynan, Jay is a central defender with considerable experience higher up the non-league pyramid. His former clubs include Woking, Basingstoke, Havant & Waterlooville, Hampton & Richmond and Kingstonian.

TERRIQUE HALL-ANDERSON

Midfielder Terrique was signed when Leigh Dynan took over as manager at the end of 2019. Leigh worked with Terrique

at Kingstonian, one of his former clubs.

EMMANUEL OMRORE

Young midfielder recruited this summer by manager Leigh Dynan. His last club was Aylesbury United, although he doesn't appear to have made an appearance for them.

CAMERON REARDON

Former Kingstonian defender who joined the Wasps in January. Well known to his manager and looking to kick on after his debut season with the club was ended by the Covid-19 curtailment.

DELANO SAM-YORKE

Striker with bags of experience at a higher level, having played for Woking, Basingstoke Town, Cambridge United, Lincoln City, Forest Green Rovers, Dartford, Merstham and Maidstone United. The 31-year-old Londoner has chalked up more than 100 appearances in the Conference and previously worked under Leigh Dynan at Kingstonian, who persuaded him to come out of retirement and sign for the Wasps.

DAN SMITH

Goalkeeper Dan is in his third season with the Wasps and has made more than 30 starts for the club. He has also played for Crowborough Athletic and is one of 11 Smiths to play for the Wasps this century.

JEDD SMITH

Young striker signed from Dartford this summer. Jedd has represented Kent Schoolboys.

LOUIE THEOPHANOUS

Striker Louie joined the club in the summer after a spell with Billericay

Town. He came through the youth system at Millwall before moving to AFC Wimbledon. He made his senior debut for Histon and gained a lot of Conference South experience with St Albans City, Staines and Sutton United.

CHIMA 'DANNY' UCHECHI

Nigerian-born striker who has played for his country at youth level, Danny has a wealth of experience including spells with Leicester City, Sheffield Wednesday and Aberdeen having started out in West Ham's academy. Non-league ports of call for the 30-year-old include Boreham Wood, Hendon, Hampton & Richmond, Cray Wanderers, South Park and most recently Hornchurch.

MICHAEL UWEZU

Striker, 29, who began his career with Fulham and can count Lincoln City and Forest Green Rovers among his former clubs. He has also had a spell in Sweden. The Nigerian joined Wasps late last year and has made nine appearances so far.

DANNY WALDREN

Another strong addition at East Court. Midfielder Danny, 31, has played for Bromley, Billericay, Dulwich Hamlet and Welling United so has plenty of experience higher up the pyramid.

PETER WEDGEWORTH

A summer signing, Peter is a left full-back whose former clubs include Tooting & Mitcham, Bromley and Whyteleafe.

GLENN WILSON

Another player with vast experience including a spell with Crawley Town whom he helped win promotion to the Football League. Glenn, who can play at right back

or in central defence, has also played for AFC Wimbledon, Rushden & Diamonds, Margate and Enfield Town having started his career in the academy at Crystal Palace. Grinstead are the 34-year-old's 15th club.

SEAN CLOHESSY

Vastly experienced right-back with more than 200 Football League games under his belt from spells with Gillingham, Southend United, Leyton Orient and Colchester. He also played in Scotland for Kilmarnock. The 33-year-old former Arsenal trainee has appeared for Braintree, Leatherhead, Concord Rangers and Kingstonian since dropping into non-league.

DAN THOMPSON

Striker who made a solitary first-team appearance for Portsmouth before dropping into non-league and playing for 15 clubs, including four spells with Hampton & Richmond. Still only 26, Dan joined the Wasps last season from Kingstonian and made five appearances before the season was curtailed.

JEROME BECKLES

Midfielder Jerome has joined Wasps on loan from Conference south Dorking Wanderers. He is Dorking's longest-serving player with more than 300 appearances under his belt and has been an integral part of their rapid rise up the non-league pyramid.

CALUM DAVIES

Striker Calum joined the Wasps this summer. Previous clubs include Hastings United, Leatherhead and Kingstonian.

In Conversation With.....

Stuart Morgan

This season our player interviews will be expanded to cover other people and we are starting with our previous Head of Communications and Media STUART MORGAN. The questions were put to him by Programme Editor, Dave Ellmer.

Where did you play in your football career?

I spent my playing days in the Mid Sussex Premier, starting at Clayton FC and then moved to East Grinstead Utd where I spent 11 or so seasons before finishing my playing days for Wisdom Sports in Haywards Heath.

What position did you play?

I always played in goal in Saturday football (despite my obvious height challenge), I did however play as a full back on Sundays!

Many triumphs?

I had a few, Winning the league title and picking up players player that year as I completed ever minute from pre-season friendlies through to the end of the season, we narrowly missed out on the double that year losing the Monty Final but I had the joy of lifting the cup on 3 separate occasions. I was proud to represent the Mid Sussex team in inter county matches a total of around 10 times and still have the red and black tie at home. Although not an actual trophy in my first senior year at Clayton I faced 12

penalties in the season, saved 10, conceded 1 and the other is probably still somewhere up by Jack and Jill windmills.

What originally brought you to Haywards Heath?

After finishing playing, I helped manage Wisdom Sports, it was getting tougher and tougher to get the number of players needed to fill the current sides as more and more new sides were forming and being accepted by the league. A potential merger was looked at between Heath and Wisdoms but nothing came of it, eventually I agreed to run the reserves as assistant to Paul Foskett (Foz) and we made the move over.

What is it like managing the 'stiffs' as the seconds are often called?

I was never meant to manage the side but as with many things in football it just seem to happen after Foz was unable to commit due to family issues, we had a tough first season struggling for numbers but we saw it through and then started to rebuild, we got the balance just right with youth,

The side which won the SCFL in 2018

experience and Steve Spies. There was a good competitive spirit and lifting the title and getting to the cup final proved we had got it right by sitting together as a group. The lads would often go and support the first team on the bench and that was always the hardest trying to fill gaps at the last minute but that is what goes with running the reserves.

What did you enjoy most in our meteoric rise from Southern Combination to Isthmian South East?

It's certainly been a roller-coaster but one I have thoroughly enjoyed. Non-league football is tough at any level but even more so when you are based in a commuter town where probably half are just living there for the train links to London. The fans that are there week in week out are brilliant and we as a club need to get that snowball effect continuing as Hanbury is a great place to be and even better when it's buzzing with people. The most memorable has to be the success that club has had over the last few years with Shaun as manager, his support team and him has brought more silverware year after year than I can ever imagine.

What two things did you find the most frustrating?

The SCFL's handling of the whole 12-point, deduction that cost us the title and promotion a year earlier. But credit to everyone for going on to do it again the following year. My other frustration had to be how difficult it is at times to get buy in to ideas and everyone pulling the same weight to get a job done, at non-league football the saying 'many hands make light work' could be far better put to practice around Hanbury.

Two would you like to change in the game?

At Non-League level I would have a proper enforced salary cap dependant on the level you operate in as well as a max 22 man squad that had to be their playing or not for the whole season. Although I understand that as it is not someone's job then there really is nothing stopping them from not

showing up, which is why it will never work in non-league unless every player is on a binding FA Contract.

I would also make it mandatory that football supporters must attend their local sides matches!

What do you do to get away from football and work?

I have always been into TV series and films and I'm really getting into golf with my boy who is 13. Golf is something we can do together now I have time to give back to the family, finally when all else fails I play Golf Clash on the iPhone!

And finally, the future?

Work and family have taken to me grabbing back some time away from football for the first time in many years which is what I need right now, but I have made so many friends around football that I would like to see myself back involved one day. Heath still has so much unlocked potential and who knows after a time concentrating on other things it may well be time for a return.

Stuart, many thanks for taking time out to do an interview for our programme. We hope to see you at the Thank you NHS stadium during the season.

“I will give everything for this club”

Meet our new boss Lloyd Cotton

By Mark Dunford

At the beginning of August, Lloyd Cotton was named joint manager of Haywards Heath Town.

But by the end of the month, Shaun Saunders stepped down leaving Cotton as sole manager of the Isthmian South East Division side.

We caught up with Lloyd ahead of the season to see how it has gone from player to manager, and what Blues fans can expect from his side.

Q. It's been a bit of whirlwind for yourself with joining the management team then Shaun leaving - how has that affected the team in pre-season?

A. It's been quite different for the boys because I was a player last year. But the transition has been pretty smooth because Shaun has been around the whole time and he's been helping out behind the scenes. He's still there in quite a capacity so it's not been a massive change, it's been a smooth transition over.

The team seems great and everyone seems fine with it and been pretty positive all round.

Q. How have you felt pre-season games has gone?

A. Pre-season games have gone well so far. We are setting up a certain way we want to play this year and everyone has reacted really well to what we have told them about how we want to set out. The results have been pretty good.

Q. Are you happy with the squad you have built?

A. I am really happy with the boys we have got in the squad. We still have a massive squad and it's going to be really, really competitive this year, there will be some seriously hard choices to make. Ben Burns, Ryan Taylor and Shaun have all been working overtime to get some of these players in and I am absolutely delighted with the squad. A good bunch of lads and I am hoping we can kick on.

Q. Who have you brought in that you think will help Haywards Heath Town progress this season?

A. There have been some wholesale changes. We have some massive changes in the squad this year. You can just look through it and see the difference from last season.

All the players who we have brought in can make an impact. I feel the team we are building can take us in the right direction and we are doing things the right way. Hopefully they can all contribute to that.

Q. I bet you can't wait to get back into competitive action this week with the FA Cup tie against Broadbridge Heath? It's been a long wait hasn't it! What do you know about Broadbridge Heath? Are you confident of winning?

A. Me, and everyone at the club, are looking to get some normality back and get some competitive football going.

It has been a long wait. We sent someone to have a look at them this week so we know enough about them to take into the game. We are going to be set up a certain way I want us to play and that's us this year. We will have a way of playing and we will play that against most sides and we will have to see how it all pans out.

I want to be confident going into any game this season thinking we can get something out of all games, so that's the mentality we have got to have this year.

Sadly, this game was called off following positive coronavirus tests at Broadbridge Heath FC.

Q. Do you know your line-up and formation already or is it something you are still working on?

A. I have been working with a large number of players over the last couple of months and it's been so competitive but it's starting to take shape now and I'm starting to know how I want to set out the team. This year I am hoping to keep as many of the boys as possible because the squad is really important and it always is for a big season.

We know what formation we are going to play.

Q. How important is the FA Cup to a club like Haywards Heath Town?

A. The FA Cup is massive for us and it's a good day out for the boys. If you get a little run going in the FA Cup you can have some massive games and the fans love it. We want to do really well in it and progress.

Q. And what can Heath fans expect from you as a manager and what can they expect from your team?

The fans can expect from me what they saw on the pitch. 100 per cent at all times. I will give my everything for this club. Heart on my sleeve and working with the boys and getting as much out of them as I possibly can. I feel like a team I put out on the pitch will work very hard and will be playing for the shirt. That's a big thing for me.

This interview first appeared in the Mid Sussex Times and is reproduced with their permission and our grateful thanks.

The International Football Association Board (IFAB) met in April 2020 and agreed on some minor changes to the Laws of the Game and I am sharing them with you.

- The Goalposts and the crossbar as defined in Law 1 may be a combination of the four basic shapes.
- In the event of a game being decided by kicks from the penalty mark any warnings or cautions will not be carried forward. This will especially benefit goalkeepers who are always in danger of picking up a 'yellow' for an offence at a penalty kick.
- Deliberate handball by a defending player is now considered to be 'deliberate play' when judging offside.
- The IFAB have now defined what is meant by the 'hand' in handball. It is any part of the arm or hand but not the shoulder. To be precise it is any part of the arm below the armpit.
- Attacking players will only be penalised for accidental handball if it occurs 'immediately' before a goal or clear goal-scoring opportunity.
- A goalkeeper can be sanctioned if they 'illegally' touch the ball a second time after a restart, goal kick, free kick etc, even if the touch is with the hand and or arm.
- Any offence, not just a foul, which interferes with or stops a promising attack should result in a Yellow Card (YC) for the offender(s).
- A player who fails to respect the 4m required distance at a dropped ball should receive a YC.
- If the referee plays advantage or allows a 'quick' free kick for an offence which interfered with or stopped a promising attack, the YC is not issued.

• At a Penalty Kick an offence by the goalkeeper is not penalised if the penalty kick misses the goal or rebounds from the goal (without a touch from the goalkeeper) unless the offence clearly affected the kicker.

An example of this may be the keeper coming off their line towards the kicker clearly putting them off. While the goalkeeper is warned for the first offence, it is a YC for any further offence(s). The kicker is penalised if the goalkeeper and the kicker offend at exactly the same time.

While on, you may have noticed that last season's FA Cup Final referee was Anthony Taylor. He previously refereed the final in 2017 when Arsenal defeated Chelsea 2-1.

The previous time a referee did a second FA Cup Final was Arthur Kingscott in 1901!

I remember the 2017 final well as I was there. I will always remember the first Arsenal goal that had a sniff of handball about it. I suspect that that if the build up to the goal happened now, VAR and the change to the interpretation of handball might rule it out.

As for his performance second time around, I'm a Chelsea supporter so I will let you decide. But was the foul that led to the sending off really worthy of a caution?

The FA had decided that as this was a unique final with no crowd and a different atmosphere it was unfair for the referee to have to referee their one cup final in these circumstances.

My only observation is that this may deprive a referee of the chance to do a Cup Final. I'm sure that given the choice of a final with no crowd or no final, the referee would choose to referee the final!

Looking Back Snippets from the Past

The move to Hanbury Park in 1952 enabled the club to broaden its horizons and to leave the Sussex County League to join the Metropolitan League for the start of the 1952-53 season where it would meet the reserve sides of London professional clubs such as West Ham, Tottenham Hotspur, Chelsea, and Arsenal.

After a promising first season when HHFC finished the year in fifth place the club, perhaps inevitably, found itself struggling against the professional opposition and, finishing bottom of the table in the 1960-61 season, elected to re-join the Sussex County League the following year. Although the decade of the 1950s was not the outstanding success some may have hoped for, it was nevertheless a heady time for the club playing against some junior professionals who would later become part of England's World Cup winning squad of 1966.

Half way through the club's 'Metropolitan years', Haywards Heath Football Club finally brought home the Sussex County Senior Challenge Cup on the 10th May 1958 after having been beaten finalists on three previous occasions. The match was played on Brighton & Hove Albion's Goldstone ground where the club were to meet Worthing FC from the Corinthian League who had been the previous opponents from the club's last Final appearance in the 1946-47 season.

In the first round against Shoreham FC, the club had won by 7-goals to 1 at home following a goalless draw away. The second and third rounds were both played at Hanbury against Horsham who were beaten by 4-goals to 3, and Chichester City who went out 3-goals to 1. The semi-final against A.P.V Athletic was played at Horsham and HHFC won by 1-goal to nil after a 2-all draw had forced another replay.

The line up for the Goldstone Final was John

Part 20 The Metropolitan Years THE UPS AND DOWNS OF THE 1950S

'Doggie' Cragg in goal with Dave Wells at right back and Brian Newcombe left back. The half-backs were Geoff Sear on the right, the captain Jack Wilkins playing centre half, and Mick Rapley at left half. The forward line consisted of Gordie Howieson outside right, Dave Standing inside right, Sid Stenning at centre forward, Len Oram inside left, and Arthur Barkley on the left wing.

Two members of the team were back on familiar ground at the Goldstone that day, as both Jack Wilkins and Gordie Howieson were former Albion professionals

So, overall, the 1950s was an exciting decade for the club. Venturing into the Metropolitan League may have proved to be a step too far for a team of amateur players against the very best of the country's professional clubs but, on the other hand, perhaps the experience taught the club the skills they required to lift the Senior Cup?

Our regular "Looking Back" features have been extracted from 'A Tendency to Frighten Horses – a History of HHFC from 1888 to 1958' researched and written by Club Trustee Mike Lewis.

From The Terraces

by Dave Ellmer

Five wins and a dodgy turnstile!

Yes, it's our pre-season friendly report.

Having searched through our twitter account I found seven games.

Of these three were played behind closed doors (#), two at training facilities, with the Worthing game being played at Lancing FC. There were two beyond Sussex against Isthmian League South Central Sides Westfield, and Tooting & Mitcham United.

Our 0-0 draw at home to Lewes on 5 September was a valuable opportunity to test our coronavirus precautions.

I was in the gatehouse and all was OK until we tried to admit our first customer through the little used and now screened number 2 gate.

We found that the gate would only rotate if it was assisted by two people and even then, it made an ear-splitting screech.

So, we donned masks and switched to number 1 gate instead. No criticism of those who made the turnstiles compliant, but must add WD40 or the equivalent to my gate kit!

Sorry, nearly forgot, the scores were as follows:

AFC Uckfield 1:3 Blues (#)
Blues 4:1 Eastbourne Utd (#)
Hassocks 1:2 Blues
Worthing 3:1 Blues (#)
Westfield 0:4 Blues
Blues 0:0 Lewes
Tooting & Mitcham Utd 1:4 Blues

Sadly, our FA Cup Match at Broadbridge Heath last Saturday fell victim to positive coronavirus tests. We wish all involved a speedy recovery.

Twelve young people die every week from sudden cardiac arrest – of those, 270 are children who will die at school. Even more tragically 80% of these young people will have no symptoms.

We know the impact of devastating loss and work to ensure that along with our peaceful message, we spread defibrillators far and wide, not only in Sussex but across the country too. We also promote an anti-violence message to pupils in schools teaching that your hands are there to help not hurt others. First Aid is not part of the school curriculum at primary school age, so we offer First Aid training classes as well, when we present a school with a Defibrillator.

In October 2019 we presented our 100th Defibrillator to the wonderful Upper Beeding School, since then we have donated a few more taking our total to 104 Defibrillators since 2012.

This is all in memory of Connor's remarkable gift for life and know that despite our personal tragedy, he'd be delighted at just how many people are 'heart safe' because of him and how he lives in our hearts, our memories and actions today.

We look forward to getting back to our work in the community after this difficult time for us all, we hope by the end 2020 we will have donated another defibrillator nationwide and locally too.

Our hopes for 2021 is to be able to put together a mindfulness program that helps children who are suffering with loss and grief.

MEET THE TEAM

Darran, Connor's proud Mum, works tirelessly to prevent another families heartbreak. By using their story in anti violence workshops and training, she encourages children to understand the full impact of their actions and to use their hands for good, instead of in anger.

Darran was awarded a British Empire Medal in 2018 for her incredible & brave work on the issue, in recognition of meritorious civil service.

Courtney, Connor's adored big sister, works booking the school visits, planning and organising the fundraising and making sure all the communication channels are up to date.

Like her mum Darran, Courtney was awarded a British Empire Award in 2018 for her dedication and work on the issue in her brother's name, again in recognition of meritorious civil service.

"GIVING IS NOT JUST ABOUT MAKING A DONATION. IT'S ABOUT MAKING A DIFFERENCE"

Here at the Connors Saunders Foundation, we are ALWAYS looking for more people to join us on our quest to make Sussex 'heart safe'.

We are looking for people to help us at our events or help us by fundraising so we can reach more schools. You could help by buying our merchandise or by sharing stories through social media – increasing our peaceful impact and encourage more people to use their hands to help, rather than hurt.

As a small family run organisation, we simply can't do it by ourselves and rely on our lovely volunteers to help raise awareness and get more schools and students involved. We'd love you to join us – please email us at info@connors5.com to find out how you can help us with our work.

Walk and Talk MMH believe football is key to opening up the conversation regarding men's mental health, raise awareness and prevent male suicide, which is the biggest killer of men under 45 in the UK.

14 men take their own lives in the UK every single day. The group are determined these shocking statistics have to change. They hold events across the UK, bringing opposition fans together, walking from one stadium to another on match days.

Their fundraising and events that help so many were impacted with lockdown and games played behind closed doors, but they are back! This will be the sixth season for Walk and Talk MMH.

They have covered over 9,000 miles to date walking and talking with fans from Non-League, Championship, Premier League and Scottish Premiership Clubs.

They have seen that something as simple as companionship can save lives. The group believes that football has the power to help men who find themselves in a position of loneliness and isolation.

Walking has such a powerful effect on mental and physical health, and with the ability to talk openly in a friendly environment elevates that impact. Everyone is welcome to join for a mile, 2 miles or the whole distance.

Lockdown has been a chance to reset and unwind for some, and a challenging, worrying

and lonely time for many others. Never has there been a more important time to get out and talk about your own mental health.

The walk between stadiums gives the opportunity to open up about anything weighing on your mind, or just talk football, no matter what your club colours are. The group provide peer to peer support for each other, based on personal experiences.

Lee Adams, Founder of Walk and Talk MMH, said "I went through a difficult period some time ago. I felt alone, isolated, with nowhere to turn, and was close to taking my own life. Five years ago I started walking to Fulham FC away games, to raise awareness that 1 in 4 of us may suffer at some point in our lives, and I soon understood I wasn't alone.

"I became motivated to turn my experiences into a positive to help and support others who felt the same as I had.

"People started to join me, and now this has become a huge movement of fans coming together from many teams, to let other men know that it's ok to talk."

Walk and Talk MMH are extremely proud to be named as one of the 2020/21 charity partners, and look forward to working together with HHTFC for the forthcoming season.

The Economies of Grassroots Football

No need to raise a mortgage to come and watch us play at pocket money prices every other Saturday. You can buy a season ticket for the price you'd pay per game to watch the Premier-donnas, but the passion's still the same.

We don't have corporate 'boxes' (you can use an empty crate!) tho' it's clear the paradox is that, despite our lowly gate, at just nine quid our fans enjoy the game as much as those who go to see a Premier team and pay up through the nose.
